

Purpose of Competition

The purpose of this contest will be to attract students from diverse backgrounds to the profession of nursing and provide them with advice about how to achieve their goals. Infographics can include information about types of classes to take, volunteer work, part time jobs, and extracurriculars they should participate in to become a competitive applicant to nursing programs. Please include representations of diversity, characteristics of nursing professionals, and any academic, volunteer, and other recommendations that will benefit prospective students.

Guidelines

- Must be easy to read (5th grade reading level or below)
 - Target audience is 5th graders but can be used for younger grades if needed
- Poster/infographic must be easily transferable to pamphlet format
 - Canva has a wide variety of templates that could be helpful
- Focus on inspiring the next generation but also have practical advice to share with guidance counselor's.
 - Ex: volunteer hours, classes to take, characteristics of a nurse
- Include diverse images of nursing students (race, age, gender)
 - We can help you get JMU nursing photos upon request!
- One can work on this individually or you can collaborate with others
